

Latest Coronavirus Information

5th November 2020

Village and community halls are required to close from Thursday 5th November to Wednesday 2nd December, except for the purposes outlined below.

Outdoor exercise on recreation fields and use of children's playgrounds is permitted. People are permitted to meet one other person from another household for this purpose.

The situation for village halls is explained in **Section 1** and the supporting legislation is provided in **Section 2**

Section 1 - Information for Village Hall Committees

Permitted activities at village and community halls

1. Pre-schools, education (e.g. primary school use, home schooling, forest schools) and childcare (e.g. before and after school clubs)
2. Work purposes, where people cannot work from home (this would include the hall being hired to provide a socially distanced workplace).
3. Food and essential retail e.g. Community shop, indoor market selling food, post office.
4. Essential voluntary and public services such as food banks, blood donations, medical services.
5. Takeaway food and drink services
6. Organised support groups providing mutual aid or therapy or other forms of support may continue with up to 15 participants e.g. victims of crime, new parents and guardians, people with long term illnesses, bereavement support and people in drug and alcohol recovery (see paragraph below for further information)

The following premises are required to close, which means the relevant activities held at village and community halls will not be permitted:

- a) Indoor and outdoor leisure facilities, including gyms, dance studios, soft play facilities
- b) Theatres, concert halls, cinemas, museums and galleries, bingo.
- c) Social clubs, bars, cafes, except for takeaway food and non-alcoholic drink.
- d) Youth centres, except for 1:1 youth work.

Action by village and community halls

If your hall is likely to remain open (e.g. for pre-school and/or essential services) other bookings will need to be cancelled until 3rd December.

If your hall is likely to close, you should inform your insurer and follow any guidance they issue with respect to maintaining heating, shutting down water supply and security systems/checks.

Some village halls and community centres employ staff and will need to be aware of the following information:

Job Support Schemes

Workers can retain their job, even if their employer cannot afford to pay them, and be paid at least 80% of their salary up to £2500 a month.

The flexibility of the current CJRS will be retained to allow employees to continue to work where they can.

Employers small or large, charitable or non-profit are eligible and because more businesses will need to close, they will now be asked to pay just National Insurance and Pensions contributions for their staff during the month of November – making this more generous than support currently on offer.

The Job Support Scheme will not be introduced until after Coronavirus Job Retention Scheme ends. Wherever you live, you may be able to get financial help through the:

- [Coronavirus Job Retention Scheme](#)
- [Job Support Scheme](#) (from 1st November)
- [New Style Employment and Support Allowance](#)

Places of worship are closed except for funerals, broadcast acts of worship and private prayer or childcare. Funerals can be attended by a maximum of 30 people. Linked ceremonial events such as ash scatterings can continue with up to 15 in attendance. Weddings and civil partnership ceremonies are not permitted except in exceptional circumstances. Wakes and wedding reception s are therefore not permitted.
